

## IBBK and FnBB e.V. at Biogas Infotage 2018 in Ulm, January 2018

Biogas Infotage is a yearly fair held by renergie allgäu e.V. in Ulm. On the 10<sup>th</sup> and 11<sup>th</sup> of January, IBBK participated during the Biogas Infotage 2018. This time, about 150 exhibitors presented their technical solutions in the field of biogas. 30 speakers were available for visitors to learn about new trends in technologies and legislations, join discussions and ask questions.

We have collected some pictures of the event below and put together a short video which you can watch on our blog section at [www.ibbk-biogas.de/news-blog](http://www.ibbk-biogas.de/news-blog)

IBBK's and FnBB's contribution to the fair was as cooperation partner, exhibitors, speakers and consultants for biogas users, plant operators and politicians.

The next Biogas Infotage will take place January 30<sup>th</sup> and 31<sup>st</sup> in 2019. Hope to see you there!
